

Hello My Friends/ Hola Mis Amigos

		
<p>Hello "B" hand touches side of forehead and moves slightly up and outward.</p>	<p>My Open hand (palm towards yourself) on chest.</p>	<p>Friend Hook slightly bent index fingers together and then reverse their positions, so that other hand is on top.</p>
		
<p>Good "B" hand, palm towards you, fingertips touch mouth area and move out and down to palm up position.</p>	<p>Morning Non-dominant hand, palm down, fingertips pointed to side (represents horizon); dominant "O" hand, palm up and dropped slightly, comes up below horizon hand until it touches horizon hand (represents sun rising in the morning).</p>	
		
<p>How Both hands in front of you, palms down (fingers together and pointing out); fingertips move down and in and come back up and around to palms up.</p>	<p>You Point index finger towards other person.</p>	

Hola Mis Amigos and Adios Amigos

I(ASL)/ me

Index finger (with other fingers closed) to self at center of chest.

Fine

Thumb of "5" hand taps chest once or twice.

Good-bye

Wave good-bye.

Until

Two index fingers, fingertips up, palms towards each other; dominant hand moves up and over, until the two index fingertips touch.

Meet

Two index fingers, palms towards each other, fingertips up, move together until fist part of hands touch.

Again

Non-dominant hand: fingers together, fingertips pointing out, palm towards side; dominant hand, same shape, but slightly bent, fingertips move towards other hand, touching in the middle of the palm.
